HOW TO BUY

STEP 8

Click the little gear wheel (circled), and adjust your slippage to between 1-10% and then click the wheel again. After, click submit and wait for confirmation.

FITCOIN

HOW TO BUY

STEP 9

Thanks!

You're all done.

When entering the amount of Ethereum you want to convert, be sure to leave a little extra to cover the gas fees. After, click submit and your coins will appear in your wallet shortly after. Don't forget to add the token to your Wallet.
Happy Trading.
